Muskego Woman's Club Not boosted

Comment: Good example of wording. They got several inquiries.

Ever wonder what the Muskego Woman's Club is all about? We'd love to tell you all about it in person or would welcome you to one of our meetings. The Club meets on the second Monday of each month, September through May, with our last two meetings of this fiscal year being Monday, April 10th and Monday, May 8th, 7:00 p.m. at the Muskego Library. Or if you'd prefer, a couple of us would be happy to meet with you for coffee or a glass of wine, at your convenience, to tell you more. In that case, call or text Sally at 414-218-5197. We are a community focused organization, a proud sponsor of our one major fundraiser, the Peppermint Craft and Bakery sale, held each year in November. The money we raise helps our community in various ways, including scholarships for Muskego High School students. We have many other activities such as blood drives, Safety City, Yellow Tulips, Candidate Forums, book clubs, crafting groups, plus social events. We always happily welcome new members. Please check us out!
